

PROJECT NAME: Career Development and Job Placement Center

RECIPIENT: Snow College

LOCATION: Ephraim, Utah

PURPOSE: Funding would be used to establish a job and career placement office at Snow College to meet the desperate need to match educated, trained and skilled students with employment opportunities upon graduation in an area of the state, which is the most economically challenged with the lowest annual income. Funding will be applied to salaries, wages, benefits and expenses for three new full-time staff positions, and for computers, office furnishings and coordinator travel.

AMOUNT: \$360,000
